TO THOSE THAT ARE RETIRED:

Knights, are you Retired?

Then let's do Lunch

Several retirees in Council 9981 have suggested gathering for lunch on a monthly basis. This is a chance to get out of the house for a couple of hours with other retired Knights for a bit of food in a local pub accompanied by conversation, laughs and fellowship.

We would loosely structure these lunches similar to ROMEO (**R**etired **O**ld **M**en **E**ating **O**ut) groups around the country. That means you come to lunch when you are available, there are no dues and the conversations are open to any subject you want to discuss including politics and religion.

We will meet for lunch at 1:00 pm to avoid the crowds and noise, and to be able to place two or three tables together to accommodate us. The group will select a specific week day in a

specific week of the month for the lunches. We will choose a convenient pub such as Houlihan's, Satchmo's, The Sports Page, Miller's Crossing, Harpo's Bar & Grill, Massa's or other suggestions.

If interested, contact Buz Peek at email: PEEKSTL@GMAIL.COM or tel: [314-576-4033](tel:314-576-4033). Let him know any days of the month that you cannot meet and which pubs you prefer.

ADORATION CHAPEL:

The Adoration Team needs you! Please prayerfully consider joining us to ensure that Jesus is never alone in the chapel.

We have lost several adorers recently and continue to need help with several hours that do not have anyone assigned to them along with other hours where Adorers are looking for prayer partners.

Spending time with Jesus is a great way to enrich your spiritual and personal life. You will leave the chapel feeling renewed and healed.

We are desperately in need of ADORERS see the parish bulletin for a list of SOS time slots that need to be filled.

The Church and the world have a great need of Eucharistic Adoration. Jesus waits for us in this Sacrament of Love." ~ Pope John Paul II wrote, "You

can make a difference for yourself and the world!!!"

When you can't make it to your hour, please contact your partner if you have one, or call a sub to ensure someone will be there. Sub lists are on the back wall of the Chapel.

Please contact Julia Lewis @ 314-974-4548 or by email at julielewis@sbcglobal.net for questions or to sign up.

For the October 2016 newsletter, the deadline will be September 26th, 2016.

BITS & PIECES:

This morning on the way to work I wasn't really paying attention and I drove into the back of a car at some traffic lights.

The driver got out and it turned out he was a dwarf. He said, "I'm not happy." I said, "Well, which one are you then?"

A woman gets on a bus with her baby. The driver says: "Ugh, that's the ugliest baby I've ever seen."

The woman walks to the rear of the bus and sits down, fuming. She says to the man next to her: "The driver just insulted me." The man says: "You go up there and tell him off. Go on, I'll hold your monkey for you."

A man walks into a bar and says, "Give me a beer before the problems start!"

He drinks the beer and then orders another saying, "Give me a beer before the problems start!"

The bartender looks confused. This goes on for a while, and after the fifth beer the bartender is totally confused and asks the man "When are you going to pay for these beers?"

The man answers, "Now the problems start!"

My grandpa started walking five miles a day when he was 60. Now he's 97 years old and we have no idea where the hell he is.

Bob left work one Friday evening. But it was payday, so instead of going home, he stayed out the entire weekend partying with his mates and spending his entire wages. When he finally appeared at home on Sunday night, he was confronted by his angry wife and was barraged for nearly two hours with a tirade befitting his actions. Finally his wife stopped the nagging and said to him, "How would you like it if you didn't see me for two or three days?" He replied, "That would be fine with me." Monday went by and he didn't see his wife.

Tuesday and Wednesday came and went with the same results.

But on Thursday, the swelling went down just enough where he could see her a little out of the corner of his left eye.

The teacher said to his class one day, "Please stand up, anyone who thinks they're stupid."

Nobody stood up so the teacher said, "I'm sure there are some stupid students in this class!"

At this point Little Johnny stood up.

The teacher said, "Oh Johnny! So you think you're stupid then?"

Little Johnny replied, "No, I just felt bad that you were standing up on your own."

A woman has twins, and gives them up for adoption. One goes to a family in Egypt and is named Amal. The other goes to Spain and is named Juan.

Years later, Juan sends a picture of himself to his mum.

Upon receiving it, she tells her husband that she wished she also had a picture of Amal.

Her husband said: "But they are twins. If you've seen Juan, you've seen Amal."

Reaching the end of a job interview, the Human Resources Officer asks a young engineer fresh out of the Massachusetts Institute of Technology, "And what starting salary are you looking for?" The engineer replies, "In the region of \$125,000 a year, depending

on the benefits package." The interviewer inquires, "Well, what would you say to a package of five weeks vacation, 14 paid holidays, full medical and dental, company matching retirement fund to 50% of salary, and a company car leased every two years, say, a red Corvette?" The engineer sits up straight and says, "Wow! Are you kidding?" The interviewer replies, "Yeah, but you started it." –

Mr. and Mrs. Brown had two sons. One was named Mind Your Own Business & the other was named Trouble. One day the two boys decided to play hide and seek. Trouble hid while Mind Your Own Business counted to one hundred. Mind Your Own Business began looking for his brother behind garbage cans and bushes. Then he started looking in and under cars until a police man approached him and asked, "What are you doing?" "Playing a game," the boy replied. "What is your name?" the officer questioned. "Mind Your Own Business." Furious the policeman inquired, "Are you looking for trouble?" The boy replied, "Why, yes

**Knights of Columbus Council 9981
Council Web Sites Strategy and IT Services**

Whereas, the Council went on-line with its first web site in 2010 under the domain name of ***IWknights.com***. That site is still live today and is hosted by its original developer, Zach Smyth, on his server as it has been since 2010. Zach has advised the Council that he would like to leave the web hosting business. The site operates on a WordPress platform and is designed to display best on desktop and laptop computers. This site as is requires some upgrades - perhaps significant - and the Council would need to hire a developer to plan and/or execute the upgrades. While we have no bid on the cost to move this site to a new hosting service, pay the annual domain charge and provide for maintenance plus upgrade the site - based on past experience **a good estimate might be \$300 annually and \$1,000+ for the programming upgrade.**

Whereas, since 2013 the Council has also maintained a mobile web site which displays on all platforms - i.e. smart phones, tablets, laptops and desktop computers. At this time the site can be accessed at: ***http://kpages.mobi/k9981***. The site was built by a friend of the Council - Jim Bulan - at a cost of well above our budget but much of the work was provided pro-bono. It was first developed to use with our BBQ effort. Its strongest feature is the on-line/remote Ordering App. Over the last several years Jim has made several improvements to this Ordering App and hosted it on his server. For the future, he is offering to make further improvements to the site which will include merging the Square's remote payment process into the program. This represents a major part of our ecommerce solution for our Fish Fry business - which is key to our outside carry-out and on-line business strategy:

- 1) a customized mobile web site with a domain name changed to: ***www.StLFishFry.com***;
- 2) a new hosting service;
- 3) an upgraded 3rd-party program featuring an integrated app which permits on-line/drive-thru order taking with remote payment via our Square account.

The proposed annual cost is \$300. NOTE: Hosting and domain services and prices listed at ***http://Bulan.biz***.

Whereas, the Council recently learned of the existence of a Knights of Columbus web site which features a robust set of features built into a template and which includes web site hosting. Then at our planning meeting on June 23rd, we invited the state KofC web coordinator, Kevin Hudnut, to introduce and explain the order's UKnight web site program (***www.kofcknights.org*** will link you to the UKnight Interactive site). We learned that more than 1,300 councils, assemblies and chapters use UKnight. Additionally we were advised that a council can: 1) purchase a template which permits us to build a web site, 2) obtain hosting of our web site and 3) permit us to our ***IWknights.com*** domain name. **The annual cost is \$150 per year.**

Finally Whereas, the Council needs two different types of web presence web sites. The ***first web need is*** for a multi-functional, interactive site which is promoted by the Knights under the UKnight name. As UKnight states in their advertising - it is "A solution for Knights of Columbus councils searching for a way to:

- ATTRACT new members
- ACTIVATE current members
- GENERATE INCOME for council activities
- INCREASE AWARENESS of Degree Events
- COMMUNICATE more efficiently
- ENHANCE community awareness"

The **second web need is** to provide us a dependable and user-friendly ecommerce site for our Fish Fry business. While the UKnight site is supposedly compatible with ecommerce, our solution is likely too complicated to fully integrate into that program although it is possible we can create a page with a link www.StLFishFry.com link.

Be it resolved, the sum of approximately \$500 be budgeted for the purchase website-related IT services as described above and itemized below (including the estimate for temporarily funding the hosting service for the original IWKnights.com until the UKnight template is converted to the new IWKnights.com web site). Approximately \$460 will become an annual expenditure.

- 1) **www.IWKnights.com** - to move server and assume we may need to make payment - transfer and pay for the domain for a 3 to 5 year period.
 - a) Domain name registration of IWKnights.com (via transfer) - \$10.00 annually (hosting will be provided by UKnights);
 - b) temporary, one-time hosting services until the UKnight site is live - \$40.
- 2) **www.StLFishFry.com**
 - a) Domain name registration of StLFishFry.com, Business level hosting and Royalty payment for use and maintenance of Ordering App = \$300/yr
- 3) **Purchase the UKnights KofC web site template and once the necessary data is loaded into the system it will ultimately inherit the domain name of: www.IWKnights.com**
 - a) Annual fee for template license including hosting - \$150/yr
